

## Homeroom of the Month—Grade 8

Grade 8 has been besides itself with excitement over the past weeks trying to decide subject options for Grade 9. There have also been a few changes this term as we have lost one student but gained two others—Aaditha and Rine. They are adapting well into the calm and studious atmosphere of their colleagues (in English they are learning about „irony“ at the moment!) Having recently exhausted themselves at Sports Day, Grade 8 are now looking for other fish to fry . No doubt their presence will soon be felt!

## Subject of the Month—Humanities

For the past few weeks Grade 7&8 have been on a Journey Throughout Europe! They have gotten to grips with locating the countries and capital cities of Europe, whilst also learning interesting facts that are associated with each country. Students then focused on a physical and urban area within Europe; The Alps and the island of Mallorca. Students are now able to explain, in excellent detail, the processes that are involved in the formation of avalanches and also a beach. To recap our topics, we held a debate on the positive and negative aspects of mass tourism. It was heated to say the least ...

### Dates for your Diary and Upcoming Events

2nd May	Start of Written exam session
22nd June	Senior Prom
23rd June	Graduation
26th—27th June	Atzmännig trip grades 6-8

### Upcoming CCAs

Wednesday	Badminton/ Homework club
Thursday	Football
Friday	Free range Chemistry

### Events

Staff and students alike turned up on a chilly morning in good spirits and in their house colours ready for action. The morning commenced with the games activities and each house had teams for Football, Dodgeball, Frisbee and Crickball. Lunchtime approached and the sun came out in time for our students to relax and recharge for the afternoon session, which consisted of sprints, relays and tug of war. Yellow house triumphed overall for the sprints and relays and green house were crowned tug of war winners. However when the points from the day were all added up the winning house overall was **BLUE** house! A big thank you to all students and staff and I look forward to ISZN Secondary Sports Day 2018!
