

Homeroom of the Month - Grade 7

Our new students who entered the class at the beginning of the school year are integrating well with their peers and everyone is progressing and participating in class activities and contributing to a pleasant and positive learning atmosphere. In Homeroom we have talked about when and how Grade 7 learn best and have set targets for the rest of school year and beyond. It has been a real pleasure to have had so many students take part in activities such as the annual Family Day or Barcelona Camp. Recent events in which Grade 7 have also participated include learning how Police Dogs are trained, thanks to an educational visit from the Wallisellen Police department and enjoying Halloween and Pyjama theme days which were organised by the student council. Congratulations to Grade 7 Ryan Kozic (or should we say Jack Sparrow) for winning the Halloween costume competition!

Subject Focus – Music and Art

This month Miss Newby went live with her Instagram page @creativesecondaryart. The page showcases student's artwork from her two schools ISZN and ISSH. The page aims to inspire creative thinking amongst art lovers. In school students have been busy learning all about the different artistic mediums available to them.

In Music, Grade 6 have been sharing song performances and writing their own melodies. Here are some of the students singing a song by Nina Simone. Grades 7 and 8 have completed "Tension and Resolution" compositions where they experimented by being film composers.

Grade 9 and above continue to work on their exam pieces and theory.

Events – Barcelona Camp

Students and staff had a fantastic week exploring the beautiful and welcoming city of Barcelona. We visited all the famous sights including La Sagrada Familia, Camp Nou and La Pedra Casa Mila as well as taking many opportunities to sample delicious Tapas. It was an exciting time to visit the Catalonian city and witness the peaceful political demonstrations. As always the students were a credit to ISZN. We look forward to our camp to Malta next year.
