

Homeroom of the Month- Grade 10

Grade 10 have transitioned into their role as seniors with great aplomb and have thoroughly embraced the rigours of completing their IGCSE curriculum. With a strong focus on revision, they are showing great maturity and dedication to ensuring that they are fully prepared for their upcoming examinations. We look forward to helping them as they complete their final preparations and have no doubt that they will be successful!

Reminder!

- 8th January Start of resit session
- 19th January Laax Ski day

Subject Focus- Humanities

Grade 6 through 8 have been focusing the first half of the year on the geography side of humanities. Grade 6 spending quite a bit of time learning about how settlements are founded, reading maps, learning about the courses of the river and how flooding impacts many people around the world. Grade 7 and 8 started the year off looking at natural disasters, at the different biomes around the world and now finishing up a segment on the vastness of the continent of Africa. Exams will take place after the winter break summarising all that they have learnt before spending the next half of the year focusing on the history side of humanities.

The weeks approaching the Christmas break have been very busy. Here are a few of the highlights;

“Movember” Mr. Karamanukian raising CHF250 (for cancer research) thanks in large part from donations made by the students and teachers of both the secondary and primary schools. A big thank you to everyone.

Hat day and the Winter Dance organised by student council

Ice Skating the whole secondary school spent Wednesday morning gliding across the ice.

ISZN Bake Off Competition well done to all the bakers and big congratulations to our winner, Ain Fauzi

Christmas Assembly led by Grade 7&8 and including a ‘battle of the bands competition’. The students should be very proud of their fantastic performances.

All of us here at Secondary wish you a happy holiday!
